You must register on the CBG website before you go

President's Message - Carlos Cardona
While our Garden meetings have been on hiatus, due to the quarantine, we have been busy adding online content to continue our learning. We recently have had online seminars from:

Nick Sinnott (of Chicago Photography Classes) - “Live Editing Session (Using Lightroom, Photoshop & Luminar)” (Recording on our Homepage)

John Williams, on “Architectural Photography” (Recording on our Homepage)

Karthika Gupta, “The Art Of Storytelling in Travel Photography.” (Recording on our Homepage)

Steve Gettle,”Caught in Motion – Photographing Action” (no recording)

Sarah Marino, “Composition for Nature Photographers” (Recording on our Homepage)

Go to http://gardenphoto.org to see the recording links to these great seminars.

Our next event is an August 20 Garden Photo Shoot! Please meet at the Circle Garden from 6:00-8:00 PM for an impromptu shoot around with other members.

Note: you will probably still have to register with the Garden to enter the grounds, keep your eyes peeled to your Garden emails for rules and instructions. Go to https://www.chicagobotanic.org to register for a timed entry to the Garden, or call 847) 835-5440 to register for a time.
