## **Thursday February 7 - Competition #3**

Pullman Room - Chicago Botanic Gardens - 7 pm socializing - 7:30 pm program

**You may submit 3 entries in any of our print classes.**

**PRINTS MUST BE IN BY 7:15 pm**

DPI (digital projected images) should be e-mailed to [dpi@gardenphoto.org](mailto:dpi@gardenphoto.org) before 8 pm on the **Sunday** before the competition. You may submit three DPIs in both class A and B

The size of a DPI is limited to 1400 pixels wide and 1050 pixels high (including the border). If the photo has a 4:3 size ratio, a horizontal image will be 1400 x 1050 pixels, and a vertical will be 787 x 1050 pixels. A square ratio photo will be 1050 x 1050 pixels. **This size represents an increase over the size of last season.**

There is a new class DPI (class C). You can only submit one DPI in class C. Your photo will be given a score and be critiqued by the judges, but there will be no awards or HMs and no year end award. From our survey, members wanted comments from the judges on their photos. This is a chance to get it. You can still submit the photo to the regular competition at another time.

Pullman Room - Chicago Botanic Gardens - 7 pm socializing - 7:30 pm program

We are pleased to announce that Dan Tamarkin, owner of Tamarkin Camera on Superior Street in Chicago will be our featured speaker. Tamarkin was founded by Dan's father, Stan Tamarkin who started collecting, buying, and selling Leica cameras in 1971. Since 1984 Leica has been their full-time focus. In 1996, Stan Tamarkin started a successful rare camera auction business, **Tamarkin Rare Camera Auctions**, and since then has held auctions in New York, Denver, Tucson, Boston, Chicago, St. Louis, and New Haven.

From 1995 to 2008 the Company also had a showroom in New York City, however they closed that location to be closer to their families. Since the beginning they have been in the New Haven, Connecticut area. Until recently, when they moved to Chicago after Stan retired and Dan, took over the family business.

Dan is a true enthusiast of photography, Leica cameras and traveling. This should be a great evening.
