Fourth Annual Out Of Chicago Summer Conference
June 23 -25 2017
University Center Chicago on 525 S. State Street

See OutOfChicago.com/summer - Chris Smith

WE HOPE YOU CAN JOIN US AT THE FOURTH ANNUAL OUT OF CHICAGO CONFERENCE! We have organized this schedule with the top priority being your ease of use. We want every class, photowalk or workshop offered during a session to be

displayed in the same place so that you can see it at-a-glance. As you go through this document you'll see that there are several options that you can pay extra for. If an activity costs more than the base price, it's because you'll be getting two or more hours with the instructor in a small group setting (usually 10 or less). All classroom sessions are included in the base price. I don't want you to think that you can't get the full Out of Chicago experience without paying more money.

Here is what is included in the base price: • The opening kickoff Friday evening • The Out of Chicago Photocrawl with the instructors immediately following the kickoff • Up to 6 classes on Saturday • NEW! The Out of Chicago Summer Shootout: Shoot alongside the instructors and try new equipment from our vendors • The Out of Chicago Photowalk with Ian Plant and Chris Smith Saturday night •

The Out of Chicago Expo: Our vendors are available throughout the weekend to let you borrow and try the latest equipment • Up to 6 classes on Sunday including the closing session with Rick Sammon • Party at night with the Out of Chicago staff and instructors

We've arranged the schedule this year to give people a little bit more time to grab lunch during the day and to go out for dinner on Saturday night. We've added mini-workshops for people that want to edit their images alongside the instructors. And we've added a Shootout session where you'll get the chance to shoot alongside your favorite instructors. Classes are filling up, so register now!

You can size them for DPI or bigger. Lara Joy can resize it as needed.
You can watermark your image or not - it doesn't matter. Lara Joy will give you credit in the post.
An image title and little story about why/when you made the image would be great.
