## Thursday, Thursday November 8 - Competition #2

Pullman Room - Chicago Botanic Gardens - 7 pm socializing - 7:30 pm program

You may submit 3 entries in any of our print classes.

**PRINTS MUST BE IN BY 7:15 pm**

DPI (digital projected images) should be e-mailed to [dpi@gardenphoto.org](mailto:dpi@gardenphoto.org) before 8 pm on the **Sunday** before the competition. You may submit three DPis in both class A and B

The size of a DPI is limited to 1400 pixels wide and 1050 pixels high (including the border). If the photo has a 4:3 size ratio, a horizontal image will be 1400 x 1050 pixels, and a vertical will be 787 x 1050 pixels. A square ratio photo will be 1050 x 1050 pixels. **This size represents an increase over the size of last season.**

There is a new class DPI (class C). You can only submit one DPI in class C. Your photo will be given a score and be critiqued by the judges, but there will be no awards or HMs and no year end award. **THERE WAS ONLY ONE ENTRY SUBMITTED FOR CLASS C LAST MONTH.** From our survey, members wanted comments from the judges on their photos. This is a chance to get it. You can still submit the photo to the regular competition at another time.

## **President's Message - Don Horwitz**

As previously mentioned, we have had some turnover in our membership with new people joining and some of our senior members retiring. As a result, the number of paid members has dropped slightly.

Nevertheless, our competitions and programming keep on going.

With the help of several members graciously stepping up, we have been able to fill the post of judges' coordinator, Fred Benjamin; representative to both CACCA and PSA, Ken Duszynski; and refreshment coordinator; Daniel Kravitz. as refreshment coordinator.

Regarding programming, GPS members appreciate and enjoy interesting and exciting programming on a regular basis. However, but no one has volunteered to succeed me as program chair. To remedy that situation, I will continue as both president and programming chair and Malinda Kavetschanky has agreed to help with the planning.

While we do not have a program in November, December is the annual Christmas Hanukkah party. Competition and programs will resume with competition on January 3 and a program on January 17, 2019. The announcement of the program will be forthcoming. We have had a lovely fall season and the colors are still good. So, we should have some great entries for the November 8 competition.

Happy shooting.

Don Horwitz
